Some important things you need to know while at the church.

Doors will open 20 minutes prior to each service. Please enter the building through the doors that are propped open. All other doors will be locked.

Families will need to sit together. Please try to keep adequate (6 ft) spacing between your family and others. Pews will be color coded for specific use so as to allow an empty pew between each family:

1. Those attending the **9:00am** service are asked to sit in any pew marked with **RED tape**.
2. Those attending the **11:00am** service are asked to sit in any pew marked with **GREEN tape**

We have provided hand sanitizer that we ask you to please use when entering the sanctuary and exiting.

As hard as it will be, we ask for you to please refrain from hugs and handshakes during this time.

After each service, all pews, door handles, nurseries and bathrooms will be cleaned and sanitized.
